RE: Rushton v. Rushton

Dear Mrs. Rushton:

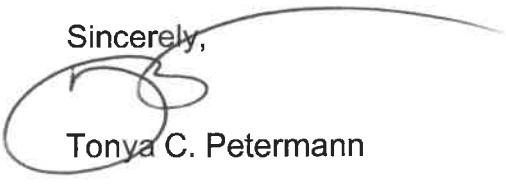

This correspondence is to inform you that mediation has been scheduled on your case for Tuesday, August 16, 2022 beginning at 9:00 a.m. (CST) by telephone. A copy of the Notice of Mediation is attached for your review and file. We will be attending this mediation telephonically, therefore, you can attend this mediation from home. As you are the Respondent, the mediator will start with their side of the case and then contact our office. When the mediator calls our office, we will call you. Please ensure that you have contacted my office prior to the mediation date to let us know that you are available and make sure that we have the correct phone number to call you.

I only schedule appointments that I believe are necessary and I do not usually set appointments to prepare for mediations as there is time for us to talk during your mediation (when the mediator is talking with the opposing side) if needed. However, if you would like an appointment prior to mediation, please do not hesitate to contact my office to schedule same. If you would like an appointment prior to the mediation, please contact my office ASAP to ensure that I have time prior to your mediation.

Your share of the mediation fee is outlined in the attached notice (or will be provided by the mediator), therefore, please contact the mediator prior to the mediation date to make arrangements to pay your share of the mediation fee.

If you have any questions or wish to discuss your case further, please do not hesitate to contact my office.

Sincerely,

  
Tonya C. Petermann
