

4-Week Strategy Program

CATEGORY	4-WEEK STRATEGIC PROGRAM	DIY PRO SE (DO-IT-YOURSELF)
STRATEGY	Custom strategic plan mapped out for your case, court, and judge	No clear strategy — relying on guesswork, online advice, or trial and error
PREPARATION	Step-by-step action plan, timeline, filings, and court prep tailored to your situation	Self-directed learning, often missing key deadlines, filings, or strategic moves
CONFIDENCE LEVEL	High: You'll know exactly what to do next and why	Low: Constant second-guessing if you're doing the right thing
RISK OF CRITICAL MISTAKES	Minimized — real-time expert guidance catches costly errors early	High — many mistakes are irreversible or very expensive to fix later
TIME INVESTMENT	Streamlined — focus only on what moves your case forward	Wasted hours sorting through conflicting or useless information
EMOTIONAL STRESS	Lower: Clear direction reduces overwhelm and panic	Higher: Constant uncertainty and fear of court surprises
COST EFFICIENCY	Invest once for strategic clarity and save thousands in mistakes later	Potentially massive long-term costs from avoidable errors or bad outcomes
OUTCOME CONTROL	High: You proactively shape the outcome with strategy	Low: You react to events, often one step behind
SUPPORT	4 weeks of personalized support via email plus strategy sessions	No professional support unless you later hire expensive legal help
